*"We got married last Saturday and were so lucky to have Shropshire Wedding Hire as our venue dresser. I have to say Annie is one of the nicest people I have met. Nothing was too much trouble and we had every faith in her that it would all be perfect. Thank you so much for everything. We will definitely be recommending you

"We got married in April 2017 and feel very lucky to have found Shropshire Wedding Hire. Annie and Alice are super - very friendly and accommodating. Nothing was too much trouble for them and they were transparent right from the start. They have lots of beautiful items at very reasonable prices and continue to add to their collection - I am going to miss playing around with different combinations! I would highly recommend these lovely ladies and their amazing company. X"
